

# Payment Option Update

**Effective 11:59 p.m. Eastern on Monday, June 23, 2025, the City of Eastman will no longer accept eChecks/EFT payments online through Xpress Bill Pay. This includes any payments (scheduled, recurring, one-time, or otherwise) that require a customer to enter his/her bank account and routing information. THIS DOES NOT IMPACT ANY DEBIT OR CREDIT CARD PAYMENTS NOR ANY HANDWRITTEN OR PHYSICAL CHECKS.**

**Debit and credit cards will continue to be accepted both online and in-person for the posted fee, as will any handwritten or physical checks mailed to, presented at, or dropped in the box at City Hall.**

**If you used this method in the past for recurring payments, please visit your online Xpress Bill Pay account to ensure you do not miss a payment and have sufficient payment information listed for your next bill due date. If you have any questions about this information, please contact City Hall at 478-374-7721. For questions regarding setting up a new account or changing your payment information, please contact Xpress Bill Pay directly at 1-888-263-2191. Thank you for your understanding!**
