

ATTENTION CITY OF EASTMAN RESIDENTS

Ryland Environmental is Eastman's new garbage collection vendor and will begin picking up your household garbage on Monday, May 1, 2023.

Please continue using your current provider's cart(s) until their last pick-up the week of April 24. GFL will empty their carts for the last time in Eastman on Thursday, April 27. After GFL picks up your trash that particular week, begin placing your garbage in your new Ryland cart.

Most pick-up days will remain the same, with the following exceptions:

- Roads between 5th Avenue & MLK Drive from Delacy Street to Congo Lane will now be picked up on Monday
- Roads between College Street & Hidden Acres Drive from Dodge Avenue and south, as well as the Industrial area, Freeman Graham & Ag Best, will now be picked up on Tuesday
- Roads between Dodge Avenue & Eugene Smith Drive out the WPA Road will now be picked up on Tuesday
- Roads between Anson Avenue/Dublin Highway & 5th Avenue from the railroad crossing and east, including Soperton Highway and Airport Road, will now be picked up on Thursday

If you need a visual of these changes, please reference the Garbage Pick-up Map on our website at <https://cityofeastman.com/FormsandDocuments.aspx> or on our Facebook page at www.facebook.com/cityeastman.

Beginning May 1, please have your cart curbside/roadside no later than 6:00 a.m. on your collection day with the arrows on the lid facing the street and placed at least three (3) feet away from any obstacles (e.g., cars, mailboxes, poles, etc.). **ALL TRASH MUST FIT INSIDE THE CART.**

The City of Eastman and Ryland appreciate your patience during this transition!
